

# Welcome to The St Albans Bowling Club **Open Days 2024**

Come and try this *famous family friendly game*  
at the oldest club in St Albans

As part of Bowls England's annual **BIG WEEKEND**, we are hosting 3 open days at our beautiful club in the heart of Clarence Park.

These events will take place on **3 days across 2 weekends**, listed here, and aim to provide an introduction to lawn bowls to those who have not tried the game before.

We will endeavour to accommodate everyone - just turn up on the day, but if you would like to experience bowls in a family or group of 4 or more, please give Richard a call or email to book a slot so that you can all join in together.

You will be hosted by a range of old and new hands at the game – bowls is a great game for the whole family, all ages, young and old.

All **EQUIPMENT IS PROVIDED**, and there will even be **REFRESHMENTS** to cool you down.

**SO, WHAT'S NOT TO ENJOY? COME ALONG AND HAVE A GO, WE LOOK FORWARD TO WELCOMING YOU!**
